

Single Line Holders

| Group ID | Part Number | Max. Number of Type that fit in holder | A | B | C | D | X | PITCH |
|----------|-------------|--|----|-----|----|----|---|-------|
| A | MB-MV104030 | 1.0mm = 20 Types 1.5mm = 20 Types 2.0mm = 15 Types | 30 | 50 | 20 | 40 | 4 | - |
| B | MB-MV106040 | 2.5mm = 16 Types 3.0mm = 13 Types | 40 | 60 | 20 | 40 | 6 | - |
| B | MB-MV106060 | 2.5mm = 24 Types 3.0mm = 20 Types | 60 | 80 | 20 | 40 | 6 | - |
| B | MB-MV106080 | 2.5mm = 32 Types 3.0mm = 26 Types | 80 | 100 | 20 | 40 | 6 | - |
| C | MB-MV108040 | 4.0mm = 10 Types 5.0mm = 8 Types 6.0mm = 8 Types | 40 | 60 | 20 | 40 | 8 | - |
| C | MB-MV108060 | 4.0mm = 15 Types 5.0mm = 12 Types 6.0mm = 12 Types | 60 | 80 | 20 | 40 | 8 | - |

Double Line Holders

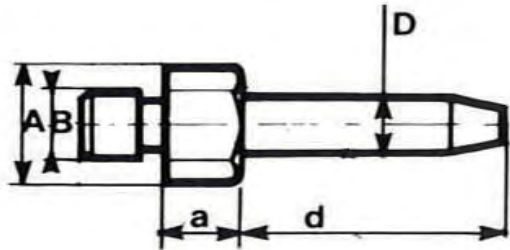

| Group ID | Part Number | Max. Number of Type that fit in holder | A | B | C | D | X | PITCH |
|----------|-------------|--|----|-----|----|----|---|-------|
| A | MB-MV204030 | 1.0mm = 40 Types 1.5mm = 40 Types 2.0mm = 30 Types | 30 | 50 | 20 | 40 | 4 | 4.8 |
| A | MB-MV204050 | 1.0mm = 66 Types 1.5mm = 66 Types 2.0mm = 50 Types | 50 | 70 | 20 | 40 | 4 | 4.8 |
| B | MB-MV206040 | 2.5mm = 32 Types 3.0mm = 26 Types | 40 | 60 | 30 | 50 | 6 | 6.8 |
| B | MB-MV206060 | 2.5mm = 48 Types 3.0mm = 40 Types | 60 | 85 | 40 | 50 | 6 | 6.8 |
| B | MB-MV206080 | 2.5mm = 64 Types 3.0mm = 52 Types | 80 | 100 | 40 | 50 | 6 | 6.8 |
| C | MB-MV208040 | 4.0mm = 20 Types 5.0mm = 16 Types 6.0mm = 16 Types | 40 | 60 | 30 | 50 | 8 | 8.8 |
| C | MB-MV208060 | 4.0mm = 30 Types 5.0mm = 24 Types 6.0mm = 24 Types | 60 | 80 | 30 | 50 | 8 | 8.8 |

Shanks & Custom Holders

Type Holder Shanks

| Part Number | A | B | D | a | d |
|---------------|----|-----|----|----|----|
| MB-MV12-SHANK | 17 | M12 | 6 | 12 | 28 |
| MB-MV18-SHANK | 17 | M12 | 10 | 12 | 38 |
| MB-MV35-SHANK | 17 | M12 | 16 | 12 | 48 |

The MB-Shanks are to be used with our mechanical and air impact marking machines / cylinders. The 6mm is used with the MV12 series, the 10mm is used with the MV18/23 series and the 16mm is used with the MV35 series.

ALL SHANKS FIT ALL TYPE HOLDERS!

Custom Type Holders

Take advantage of our experience and manufacturing capabilities by letting MbMetal Technologies review your application and part marking requirements. We have solved many of our customer's unique applications by offering them custom type holders and methods for marking their parts. If you can't use our standard types and type holders for your application, please give us a call: (800) 837-9270 to discuss your details.

Delivering Solutions. Improving Productivity.
